Re: Acquisition of Culturally Significant Items Statute

I am vetoing this statute because of Section V. Repository

The Archives and Records Department is currently overseeing the collection. This statute would allow the THPO office to oversee the collection. We believe the THPO office and Archives and Records should work together but control of the collection is the responsibility of the Archives and Records Department pursuant to statute WOS 2012-002.

Respectfully submitted,

Regina Gasco-Bentley
